SECRET

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 14 February 1972

1. (Secret - JMM) Joined George Carver, SAVA, and Roger Shields (Assistant to the Assistant Secretary of Defense(ISA)), Admiral H. H. Epes and Captain Kneale (ISA) in a meeting with Chairman Lucien Nedzi, Intelligence Subcommittee of House Armed Services Committee, and Frank Slatinshek, of the Committee staff, regarding a sensitive matter. See Mr. Carver's Memo for Record.

2. (Confidential - JMM) Called Dan Carrison, Administrative Assistant to Senator Strom Thurmond, to say that Mr. Karamessines and I would like to come over and see the Senator at his convenience regarding a matter the Senator had recently raised with the Director. Mr. Carrison will let us know when the Senator will be available.

3. (Confidential - JMM) Lunched with John Goldsmith, Senate Armed Services Committee staff, who told me of some of his observations during his recent trip to Southeast Asia.

4. (Secret - JGO) Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and gave him a draft dated 14 February relating to the level of the Soviet defense effort as compared with the United States. Mr. Slatinshek said he would call me when he has a chance to review it.

With regard to the transcript of the Director's briefing of 8 February, Mr. Slatinshek said he will want to keep the transcript at least for some days.

5. (Internal Use Only - JGO) Called Mr. Robert Blum, Senate Foreign Relations Committee staff, and told him that a careful check indicates that the film "Mission to Yunnan" was rather unique in that it is the only film of its type in the OSS library. The other films of the period were training films that have no relevance to the history of Indochina. Mr. Blum thanked me for our efforts. See Journal of 11 February 1972.
